

Something about nothing

Kevin Thornton

1 Introduction

See Kelleher et al. (2018), which is *so damn cool*.

OMG MATH:

$$\hat{\theta}_w = S \sum_{i=1}^{i=n-1} \frac{1}{i}$$

.

2 Results

See sec. 1.

Also see fig. 1. fig. 2 is a small version of the same figure, for nor particular reason.
